

***State of Washington
Department of Transportation
Notice to Consultants
Bainbridge Island Ferry Terminal Master Planning, Overhead
Passenger Loading and New Terminal Building Project***

The Washington State Department of Transportation (WSDOT) announces a Request for Statements of Qualifications (SOQ) from consultants interested in providing planning, urban design, engineering, architectural, environmental, and project management services for Washington State Ferries (WSF) for its Bainbridge Island Ferry Terminal Master Planning, Overhead Passenger Loading and New Terminal Building Project. The approximate value of the consultant agreement will be \$6 million to \$9 million for the updating and implementation of funded projects within WSF's Bainbridge Island Terminal 10-Year Capital Plan. However, the agreement's value may reach as high as \$17 million if additional design and construction work is funded by the legislature. WSDOT will award up to two (2) agreements.
